THE WORLD COMES TO GOLF.

MEDIA KIT / CONCEPT EDITION

THE WORLD COMES TO GOLF.

A new kind of creator golf invitational: international personalities, a local home team and courses worth crossing time zones for.

GOLF IS GLOBAL.

A recurring numbered event series from H-Star Golf.

A SPORTING PROPERTY.
A MEDIA PLATFORM.
A REASON TO MEET.

H-Star Golf brings international golf creators to remarkable courses. Its flagship International Creator Invitational creates competition and collaboration, then lets creators share the experience in their own voices.

Edition numbers identify complete tournaments, never a single round of golf or YouTube episode.

THE LOCAL CREW MEETS THE WORLD.

Each edition is built around a host-region creator team and visiting international creators. Geographic variety is a defining criterion, not a one-off marketing theme.
